

THE MINES AND MINERALS (AMENDMENT) BILL, 2007

MEMORANDUM

The object of this Bill is to amend the Mines and Minerals Act so as to—

- (a) revise the provisions of section *nine* so as to subject the provisions in a development agreement to the law;
- (b) provide for the exclusion of fiscal terms from a development agreement;
- (c) clarify the provisions of section *ninety-seven* so that the reliefs from customs and excise duties which apply to holders of mining rights do not extend to contractors and subcontractors;
- (d) increase the mineral royalty on base metals from zero point six per centum (0.6%) gross value to three per centum (3%) gross value;
- (e) provide for the grant of a mineral processing licence to a person involved solely in mineral processing operations; and
- (f) provide for matters connected with or incidental to the foregoing.

Insertion of new Part III A

PART III A

MINERAL PROCESSING OPERATIONS

Mineral Processing Licences

28 A. A mineral processing licence confers on the holder of the licence exclusive rights to carry on mineral processing in the mineral processing area for the minerals specified in the licence and to do all such other acts and things as are necessary for, or reasonably incidental to the carrying on of those operations.

Rights conferred by mineral processing licence

Application
for mineral
processing
licence

28 B. (1) An application for a mineral processing licence shall be made to the Minister in the prescribed form and shall be accompanied by the prescribed fee.

(2) The application shall include—

- (a) in the case of an applicant who is an individual, the applicant's name, address and nationality and in respect of a company that is an applicant, its registered name and address and the names, addresses and nationalities of the directors and of any shareholder who is the beneficial owner of more than five per centum of the issued capital;
- (b) a full description of the area of land over which the licence is sought, including its surrounding settlements or developments and a plan of the area prepared in such manner and showing such particulars as the Minister may reasonably require;
- (c) a statement of the minerals to be processed;
- (d) a copy of the applicant's title to the land or written consent from a surface right holder or mining right holder;
- (e) the proposed programme for mineral processing operations including a forecast of plant capacity, capital investment, facilities, mineral processing methods and the estimated mineral recoveries;
- (f) an environmental management plan approved by the Environmental Council of Zambia in accordance with section *ninety-six* of the Environmental Protection and Pollution Control Act including the applicant's proposals for the prevention of pollution, the treatment of waste, the protection and reclamation of land and water resources, and for eliminating or minimising the adverse effects on the environment of the mineral processing operations; and
- (g) such further information as may be prescribed by the Minister by statutory instrument.

Cap. 204

(3) The applicant shall commission and produce to the Minister an environmental impact study on the proposed mineral processing operations approved by the Environmental Council of Zambia.

28C. (1) A mineral processing licence shall not be granted to or held by—

Persons disqualified from holding mineral processing licences

(a) an individual who—

- (i) is under the age of eighteen years;
- (ii) is or becomes an undischarged bankrupt, having been adjudged or otherwise declared bankrupt under any written law, or enters into any agreement or scheme of composition with the individual's creditors, or takes advantage of any legal process for the relief of bankrupt or insolvent debtors; or

(b) a company which is in liquidation, other than liquidation which forms part of a scheme for the reconstruction of the company or for its amalgamation with another company.

(2) Any document or transaction purporting to grant a mineral processing licence to any person not entitled to hold the licence shall be void and of no effect.

28 D. (1) The Minister shall, within sixty days of receipt of an application referred to in section *twenty-eight B*, grant a mineral processing licence to the applicant, unless—

Grant of mineral processing licence

- (a) the Minister considers that the applicant has not satisfied the requirements referred in section *twenty-eight B*;
- (b) the applicant is disqualified from holding a mineral processing licence under this Act;
- (c) the applicant is the holder of another mineral processing licence and is in breach of any condition of that licence, any of the provisions of this Act or any regulations in relation thereto;
- (d) the area of land for which the applicant has made an application or a part of it is subject to another mineral processing licence, extends to, or is included in an area in respect of which the Director has granted preliminary investigation rights on conditions which impose work or expenditure obligations, unless in any such case the applicant is the holder of that mineral processing licence; or
- (e) the area of land for which application has been made covers or includes an area of land for which an application has been made by another person who has priority over the applicant.

(2) A mineral processing licence shall —

- (a) state the date of the grant of the licence, the period for which it is granted, not exceeding seven years, and the conditions on which it is granted;
- (b) specify the minerals in respect of which it is granted; and
- (c) include a description and plan of the mineral processing area.

(3) There shall be appended to a mineral processing licence a programme of mineral processing operations, as accepted by the Minister, which shall form part of the conditions of the licence.

(4) In determining the date for the commencement of the licence, the Minister may take account of any period not exceeding twelve months from the date of the grant which is required by the applicant to make any necessary preparation for mineral processing operations.

Renewal of
mineral
processing
licence

28E. (1) A mineral processing licence shall on application be renewed by the Minister for such period not exceeding seven years as the licensee may require, if the holder of the licence—

- (a) undertakes to carry out during the renewal period, an adequate programme of mineral processing operations;
- (b) is not in breach of any condition of the licence or in breach of any of the provisions of this Act or the regulations in relation to the licence:

Provided that the Minister shall not reject an application for renewal for reasons contained in this paragraph unless the applicant has been given details of the applicant's default and has failed to remedy the default within such reasonable time as the Minister has allowed or, where a default is not capable of the remedy, has not offered in respect thereof reasonable compensation.

Obligations
of holder of
mineral
processing
licence

28F. The holder of a mineral processing licence—

- (a) shall commence mineral processing operations within twelve months, or such further period as the Minister may allow after the date of the grant of the licence or such other date as is stated in the licence as its commencement date;
- (b) shall give notice to the Minister of mineral recoveries within thirty days of the recovery; and
- (c) shall expend on mineral processing operations not less than the amount prescribed or required by the terms and conditions of the licence to be so expended:

Provided that where there is a disparity between the amount prescribed or required by the terms and conditions of the licence to be so expended and what is actually expended, the holder of the mineral processing licence shall account for the disparity.

28G. Any person who prior to the commencement of this Act—

- (a) is a holder of a large scale mining licence issued under Part III but is involved solely in mineral processing; or
- (b) is carrying out mineral processing operations without a licence;

Requirement of person involved in mineral processing to obtain mineral processing licence

shall be required to apply for a mineral processing licence within ninety days of the commencement of this Act.

11. Section *forty-six* of the principal Act is amended—

Amendment of section 46

- (a) in paragraph (a) of subsection (1) by the insertion after the word “ operations ” of the words “ or mineral processing operations ”; and
- (b) in subsection (2) by the insertion after the words “ Part III ” of the words “ or Part III A ”.

12. Section *fifty* of the principal Act is amended by the deletion of subsection (4) and the substitution therefor of the following subsection:

Amendment of section 50

(4) The Minister may, by notice in writing to a holder of a licence or permit, cancel the licence or permit on the occurrence of an event which, as provided by section *seven* or section *twenty-eight C*, renders that person ineligible to hold a mining right or mineral processing licence.

Insertion of new section 52 A

13. The principal Act is amended by the insertion immediately after section *fifty-two* of the following new section:

Termination of mineral processing licence for insufficient production

52A. Where any holder of a mineral processing licence has failed to carry out mineral processing operations in accordance with that holder's proposed programme of mineral processing operations and for a period of three successive years has recovered less than fifty per centum of the minerals which should have been recovered under that holder's estimated recovery rate, the Minister may cancel that holder's licence.

Amendment of section 54

14. Section *fifty-four* of the principal Act is amended—

(a) in paragraph (a) of subsection (1) by the insertion after the words " Part III " of the words " or Part III A ";

(b) by the deletion of subsection (4) and the substitution therefor of the following subsection:

(4) No mining right or mineral processing licence may be transferred to a person disqualified under section *seven* or section *twenty-eight C* from holding that right or licence; and

(c) in subsection (6) by the insertion after the word " right " of the words " or mineral processing licence ".

Amendment of section 55

15. Section *fifty-five* of the principal Act is amended by the deletion of subsection (1) and the substitution therefor of the following subsection:

(1) A company that holds a mining right or a mineral processing licence shall not, after the date of the grant of the right or licence, without the written consent of the Minister—

(a) register the transfer of any share or shares in the company to any particular person or that person's nominee; or

(b) enter into an agreement with any particular person, if the effect of doing so would be to give that person control of the company.

16. Section *sixty-one* of the principal Act is amended—

Amendment
of
section 61

(a) by the deletion of the words “ Whenever in the course of prospecting or mining operations any disturbance of the rights of the owner or occupier of land or damage to any crops, trees, buildings, stock or works thereon is caused, the owner of the mining right by virtue of which such operations are or were carried out shall be liable to pay to such owner or occupier fair and reasonable compensation for such disturbance or damage according to their respective rights or interest, if any, in the property concerned:” and the substitution therefor of the words “Whenever in the course of prospecting, mineral processing or mining operations any disturbance of the rights of the owner or occupier of land or damage to any crops, trees, buildings, stock or works thereon is caused, the owner of the mining right or holder of a mineral processing licence, as the case may be, by virtue of which such operations are or were carried out shall be liable to pay to such owner or occupier fair and reasonable compensation for such disturbance or damage according to their respective rights or interest, if any, in the property concerned ”; and

(b) by the insertion in paragraph (b) of the proviso of a comma and the words “ mineral processing ” after the word “ prospecting ”.

17. The principal Act is amended by the repeal of section *sixty-six* and the substitution therefor of the following new section:

Repeal and
replacement
of
section 66

66. (1) The holder of a large-scale mining licence, small-scale mining licence, gemstone licence or an artisan’s mining right shall in accordance with the licence and this Act pay to the Government a royalty at the rate of—

Royalties
on
production
of minerals

(a) three per centum of the gross value of the base metals produced under the licence;

(b) five per centum of the gross value of the gemstones or precious metals produced under the licence; or

(c) two per centum of the gross value of the minerals other than the minerals referred to in paragraphs (a) and (b) produced under the licence;

as the case may be:

Provided that a company which is party to a development agreement signed prior to 1st April, 2007, shall after the commencement of this Act renegotiate with the Government the rate of mineral royalty to be paid by such company to the Government and any such rate which is agreed upon in the negotiations shall be the rate payable under the development agreement.

(2) In this section—

“ gross value ” means the realised price for a sale free-on-board, at the point of export from Zambia or point of delivery within Zambia:

Provided that if the Minister considers that the realised price does not correspond to the price that would have been paid for the minerals if they had been sold on similar terms in a transaction, at arms length, between a willing seller and a willing buyer, a notice may be given to that effect to the licensee, and the amount of the gross value shall be determined in accordance with mechanism contained in section *ninety-seven A* to *ninety-seven D* of the Income Tax Act.

Cap. 323

Amendment
of
section 70

18. Section *seventy* of the principal Act is amended—

(a) in the side note by the insertion after the words “ Part III ” of the words “ and Part III A”; and

(b) in subsection (1) by the insertion after the words “ retention licence ” of a comma and the words “ mineral processing licence ”.
